小提琴老师——关凯年简历

自从 2005 年开始,我在歌德音乐学校教小提琴。我专门采用 Suzuki 的教学方法来教导初学的学生。这是因为这个教法简单也有挑战性,并且能够引起学生的兴趣。

身为小提琴老师,我相信初学生必须要掌握良好的握琴姿势和技术基础。当学生在面对学习的困难中,我也常劝学生要保持良好的学习态度,不要轻易放气,并且要有努力奋斗的精神。

音乐资格及经验

1995	考获第 8 级钢琴(ABRSM)
1996	考获第 8 级乐理文凭 (Trinity College London)
2004	任教乐艺音乐学校 (钢琴)
2005	任教歌德音乐学校 (小提琴)
2005	考获第 8 级小提琴(ABRSM)
2005 年 1 月至今	教导私人学生小提琴

授课时间: 上午 8.30 - 上午 9.30 (每星期六)

乒乓 Table Tennis

The Ai Tong School Alumni Association's **Table Tennis Nurture Program** seeks to promote table tennis as a sport for both recreation and competition.

Table tennis is a team sport that can help to nurture and cultivate the agility of the mind, train hand eye coordination and increase the level of concentration of its players. If started at young age, sport can also help simulate problem solving skills and promote self interdependence which is both key components in the development of character.

The program is specially catered for students who are beginners in table tennis. In 10 sessions, they will be introduced to the basic rules of table tennis and acquire fundamental skills and knowledge of playing table tennis. After which, players may continue to advanced class to further develop their skills and interest in the sport.

As featured in the recent CNA news, **Young Coder Programme** is an innovative programme that is suitably designed as a fun enrichment activity for students aged 7 to 12. It encompasses multiple areas of coding.

Young Coder Programme will impart code literacy in key subject areas while continually build up the student's ability to think critically, logically and creatively. Lessons are structured on a per-year basis, and students will discover the fun of coding in a progressive manner. Students will receive certification upon successful completion of each Coder Level.

Coder Level	Platform	Course Title	Subject Area
YC-01 (open to P1&2)	Touch Typing & Scratch Jr	First Steps into Coding	Touch Typing and Game Design
YC-02 (open to P2 to P4)	Scratch	Young Gamemaker	Game Development
YC-03	mBOT	Robotic Escape	Robotics
YC-04	HTML / CSS	Website Wizard	Web Development
YC-05	Python	Young Computer Scientist	Computer Science

For 2021, we are rolling out the first two levels (YC-01 & -02) for Ai Tong School. YC-01: **First Steps** is an introductory course suited for Pri 1 & 2 students who have no prior coding experience. YC-02: **Young Gamemaker** is targeted at Pri 2 to 4 students who are able to cope with the more demanding coding tasks. Note: Student has to bring own laptop. Instructor will install software on the first lesson.

Venue: Ai Tong School

For YC-01: First Steps **Fee:** \$280 for 10 sessions **Timing:** 10:00am -11:30am

For YC-02: Gamemaker **Fee:** \$300 for 10 sessions **Timing:** 11:30am -1:00pm
